## office2office wins BOSS Environment Award

office2office (o2o) has won the Environment Award at this year's British Office Supplies and Services (BOSS) Federation Industry Awards. The award was presented to o2o Operations Director, Mike Weston, at a gala dinner held at the Royal Lancaster Hotel, London, and attended by over 600 guests.

office2office (o2o) was presented with the award for the environmental performance of its delivery fleet. Major improvements have been made throughout 2009, which has seen a reduction in the number of delivery vehicles on the road and a deliberate move towards a 'greener', more fuel-efficient fleet.

The Company is currently rolling out new delivery routing software ('Truckstop') to make journeys more efficient. As a direct result the vehicle fleet will be reduced by 10% by the end of 2009. Other initiatives include 20 new vehicles with 'stop-start' technology, the introduction of speed limiters to improve fuel economy, and a 'back-loading' policy that ensures fewer empty vehicles on the road.
